

Calisto 800 Series

The only speakerphone that multi-tasks like you do. Experience a whole new way to manage PC, mobile and home¹ phone calls with the Calisto 800 Series multi-device speakerphone system. This versatile system provides premium sound and unparalleled audio quality thanks to full duplex wideband audio support and advanced noise cancellation. And with the unique wireless microphone, you can also enjoy remote call control and freedom of movement.

SUPERIOR CALL MANAGEMENT

- Connects and seamlessly switches between calls from PC, mobile and home phone¹
- A 2.4" color display and a touch sensitive dial pad for easy caller ID viewing, dialing, answering, switching, and muting across devices
- Full call control with Microsoft Office Communicator and Lync 2010
- For privacy, use with Bluetooth® or corded headsets/headphones (3.5mm)

UNCOMPROMISING AUDIO QUALITY

- Premium, rich-sounding full duplex speakerphone
- Wideband audio coupled with advanced noise cancellation technology

FREEDOM OF MOVEMENT

- Wireless microphone offers unparalleled voice transmission and freedom of movement³
- Remote answer/end/mute control
- Enables 360-degree small group conferencing when placed flat on a table
